Online Admission Test			
Exam Date	23-05-2026	Duration	04:00 PM to 05:00 PM

Minimum Requirements for the examination:

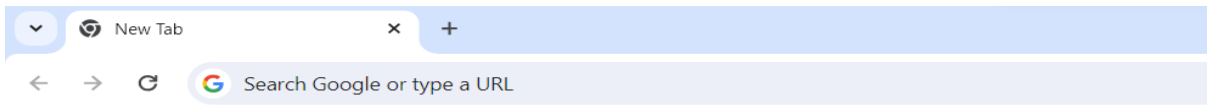

1. Laptop or desktop having webcam device.
2. Seamless Internet connectivity.
3. Web Browsers i.e Microsoft Edge or Mozilla Firefox.

Note:

1. A limited support for the Android and Apple devices are available. Please check, whether your device is supported or not, during the Mock Examination.
2. Apple devices i.e I-Phones, Macbooks etc are not supported.

How to start the examination:

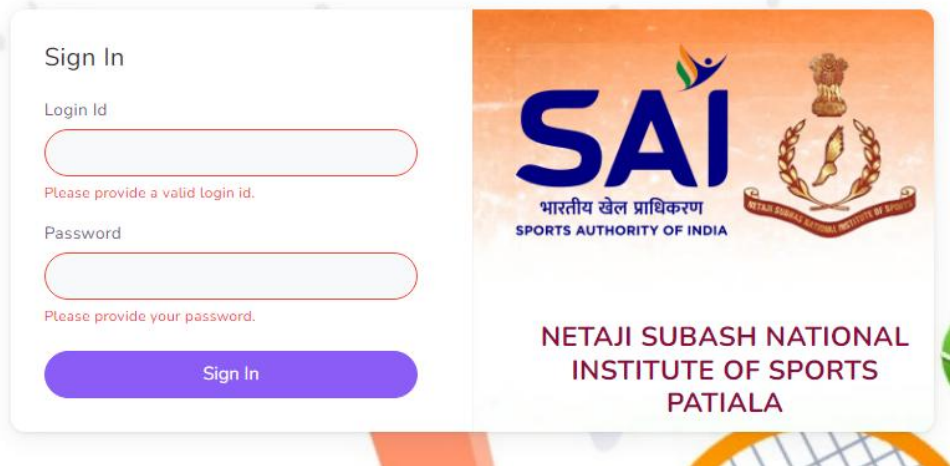

1. Open a web browser and type portal URL according to your discipline.

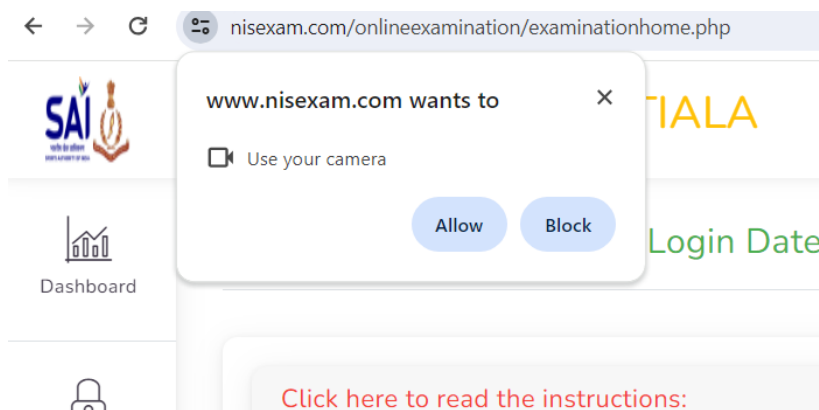

2. Click on the Orange Color Student Login Button:

3. Enter your mobile number in Login Id and mobile number in password also (Which you have provided in the application form)

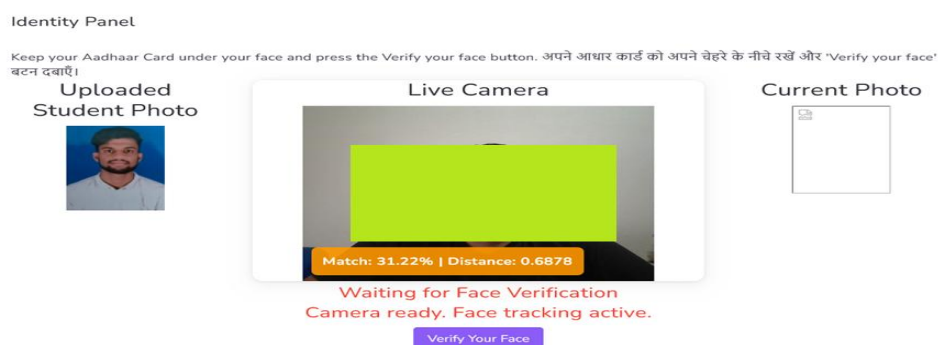

4. Allow access for the Camera.

Note:

- i). Don't click on Block or Deny button for Camera & Microphone Access. It will save your denial for the www.nisexam.com in the Camera Access Blocked Websites List and you have to remove the examination website manually from the Camera Access Blocked Websites List (It is technical task, so avoid to press Block or Deny button for Camera access).

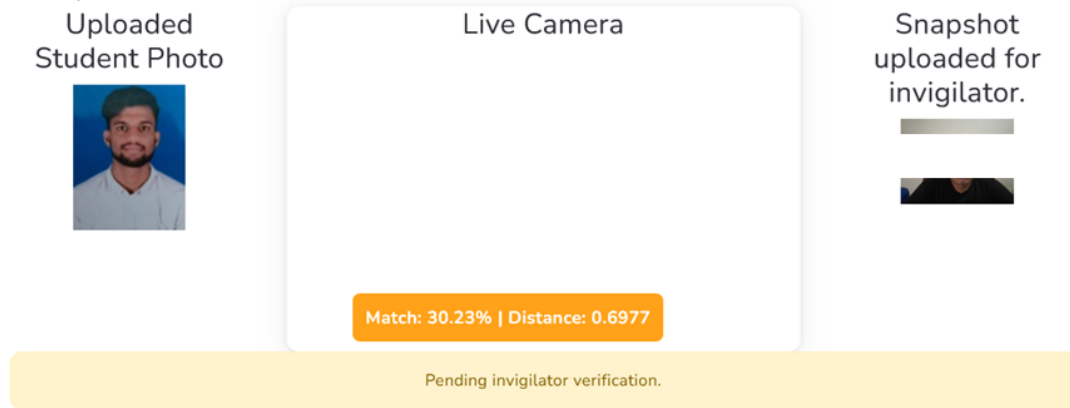

5. Click on Verify your face button then wait for the invigilator to approve it.

After click on verify your face button you will get notification of verification. Now you have to wait for the invigilator response.

Identity Panel

Keep your Aadhaar Card under your face and press the Verify your face button. अपने आधार कार्ड को अपने चेहरे के नीचे रखें और 'Verify your face' बटन दबाएँ।

The screenshot shows the 'Identity Panel' with three main sections: 'Uploaded Student Photo' (a photo of a man), 'Live Camera' (a large empty box with a match score of 30.23% and distance of 0.6977), and 'Snapshot uploaded for invigilator.' (a small photo of the man). A yellow banner at the bottom reads 'Pending invigilator verification.'

In case, Invigilator reject your request for verification. Send a New request by click on Verify your face button.

6. After approval of Invigilator, You will be see a Green colour Start examination button. Click on this button to start examination.

The screenshot shows two panels side-by-side. The 'Identity Panel' on the left shows the 'Uploaded Student Photo' and 'Snapshot uploaded for invigilator.' with a green banner at the bottom that reads 'Approved by invigilator. You may continue exam.' The 'Online Examination Panel' on the right has a purple 'TEST SUBJECT' button, 'No. of Questions: 2', and a green 'Start Exam. Wish you a good luck!' button.

In case of any issue during the examination, Please contact to the Examination Helpline Numbers for the support.
